West Virginia’s energy efficiency industry is thriving. Let’s keep it that way.

Nearly 7,000 people work in West Virginia’s growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout West Virginia’s economy, from manufacturing to professional services to engineering
- include a range of professions; four are shown here

From design and construction to weatherization work, West Virginia’s energy efficiency workforce matters.

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves West Virginians money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep West Virginia’s energy efficiency workforce strong.
Introducing a few of the ~7,000 West Virginia energy efficiency pros

Greg Paxton, Mr. Handyman of Kanawha Valley, Charleston, WV

“I am a] state energy efficiency program administrator.

John Cain, Community Resources, Inc., Waverly, WV
