Energy efficiency:
America's
Job-creation
powerhouse

Kentucky's energy efficiency industry is thriving. Let's keep it that way.

More than 25,000 people work in Kentucky's growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout Kentucky's economy, from manufacturing to professional services to engineering
- include a range of professions; fifteen are shown here

From design and construction to weatherization work, **Kentucky's energy efficiency workforce matters.**

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves Kentuckians money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Kentucky's energy efficiency workforce strong.
