Delaware’s energy efficiency industry is thriving. Let’s keep it that way.

Nearly 13,000 people work in Delaware’s growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout Delaware’s economy, from manufacturing to professional services to engineering
- include a range of professions; three are shown here

From design and construction to weatherization work, Delaware’s energy efficiency workforce matters.

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves Delawareans money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Delaware’s energy efficiency workforce strong.
Introducing a few of the ~13,000 Delaware energy efficiency pros

Scott Smith, First State Community Action Agency, Frankford, DE

"[I am] a LIHEAP project manager."
