The energy efficiency industry is thriving in **Illinois**. Let’s keep it that way.

More than 89,000 people work in Illinois’ growing energy-efficiency sector. Energy efficiency jobs:
- are woven throughout Illinois’ economy, from manufacturing to professional services to engineering
- include a range of professions; 107 are shown here

From design and construction to weatherization work, the **energy efficiency workforce matters in Illinois**.

Energy efficiency improves quality of life. It:
- creates jobs
- grows the economy
- saves Illinoisans money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Illinois’ energy efficiency workforce strong.
