SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

The energy efficiency industry is thriving in Illinois. Let’s keep it that way.

More than 89,000 people work in Illinois’ growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout Illinois’ economy, from manufacturing to professional services to engineering
- include a range of professions; 107 are shown here

From design and construction to weatherization work, the energy efficiency workforce matters in Illinois.

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves Illinoisans money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Illinois’ energy efficiency workforce strong.

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
