

# SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

We work to make  
sure low income  
people can  
benefit from EE  
programs.

Job-creation  
powerhouse

## North Carolina's energy efficiency industry is thriving. Let's keep it that way.

Nearly 87,000 people work in North Carolina's growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout North Carolina's economy, from manufacturing to professional services to engineering
- include a range of professions; fifty-five are shown here

From design and construction to weatherization work,  
**North Carolina's energy efficiency workforce matters.**

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves North Carolinians money on their energy bills, helping balance family budgets

Please support policies and programs to help keep  
North Carolina's energy efficiency workforce strong.

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
