Nebraska’s energy efficiency industry is thriving. Let’s keep it that way.

Nearly 14,000 people work in Nebraska’s growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout Nebraska’s economy, from manufacturing to professional services to engineering
- include a range of professions; one is shown here

From design and construction to weatherization work, Nebraska’s energy efficiency workforce matters.

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves Nebraskans money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Nebraska’s energy efficiency workforce strong.
