Ohio’s energy efficiency industry is thriving. Let’s keep it that way.

Nearly 82,000 people work in Ohio’s growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout Ohio’s economy, from manufacturing to professional services to engineering
- include a range of professions; fifty-three are shown here

From design and construction to weatherization work, **Ohio’s energy efficiency workforce matters**.

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves Ohioans money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Ohio’s energy efficiency workforce strong.
