Energy efficiency:
America's
Job-creation
powerhouse

Oregon's energy efficiency industry is thriving. Let's keep it that way.

Nearly 43,000 people work in Oregon's growing energy-efficiency sector. Energy efficiency jobs:

- are woven throughout Oregon's economy, from manufacturing to professional services to engineering
- include a range of professions; twenty-two are shown here

From design and construction to weatherization work, **Oregon's energy efficiency workforce matters.**

Energy efficiency improves quality of life. It:

- creates jobs
- grows the economy
- saves Oregoners money on their energy bills, helping balance family budgets

Please support policies and programs that will help keep Oregon's energy efficiency workforce strong.
