SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

We [help with] ComEd's data center EE program.

Jiaqi Liang, Willdan Energy Solutions, Wilmette, IL

Energy efficiency:
America's
Job-creation
powerhouse

I help diverse contractors enter the EE and solar markets.

Eya Louis, Elevate Energy, Chicago, IL

Energy efficiency:
America's
Job-creation
powerhouse

Illinois' energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

As of June 2021, 81,069 people work in Illinois' energy-efficiency sector.

Energy efficiency jobs are in every Illinois county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Illinoisans money and help restore local economies.

Energy efficiency is key to recovery and future growth.

Please support policies and programs that will enable Illinois' energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
