SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

I work with low income families. We help reduce their energy usage.

David Gates, CEDA, Chicago, IL

Energy efficiency: America's Job-creation powerhouse 

Illinois' energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

84,351 people work in Illinois' energy-efficiency sector.

Energy efficiency jobs are in every Illinois county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

EE = Economic Empowerment for every community.

Bruce Montgomery, Technology Access Television, Chicago, IL

Energy efficiency: America's Job-creation powerhouse 

Support for energy efficiency will save Illinoisans money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Illinois' energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
