

14,560 Jobs

SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

Mississippi's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

14,560 people work in Mississippi's energy-efficiency sector.

Energy efficiency jobs are in every Mississippi county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Mississippians money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Mississippi's energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
