

11,299 Jobs

SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

I support high efficiency builders and businesses, [helping them] do their best job.

Erin Rennoldson, HELM Construction Solutions, Keene, NH

Energy efficiency: America's Job-creation powerhouse 

New Hampshire's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

11,299 people work in New Hampshire's energy-efficiency sector.

Energy efficiency jobs are in every New Hampshire county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

We work to provide superior indoor air quality with minimum energy usage.

Aubrey Gewehr, Ventacity Systems, Portsmouth, NH

Energy efficiency: America's Job-creation powerhouse 

Support for energy efficiency will save New Hampshire residents money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable New Hampshire's energy efficiency sector to create jobs and provide benefits for communities.

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
