

6,059 Jobs

# SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

**I manage six utility sponsored [energy efficiency] programs.**

Robin Harder, ICF, Albuquerque, NM

Energy efficiency: America's Job-creation powerhouse 

**New Mexico's** energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

6,059 people work in New Mexico's energy-efficiency sector.

**Energy efficiency jobs are in every New Mexico county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.**

**Support for energy efficiency will save New Mexicans money and boost local economies.**

**Energy efficiency is key to equitable growth.**

Please support policies and programs that will enable New Mexico's energy efficiency sector to create jobs and provide benefits for communities.

**[I am an] assessor and quality control inspector.**

Joseph Wright, Central New Mexico Housing Corporation, Albuquerque, NM

Energy efficiency: America's Job-creation powerhouse 

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
