Energy efficiency: America's Job-creation powerhouse 

Ohio's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

76,475 people work in Ohio's energy-efficiency sector.

Energy efficiency jobs are in every Ohio county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save Ohioans money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Ohio's energy efficiency sector to create jobs and provide benefits for communities.

EE will shape the future for our children.

Jennifer Butsch, Copeland, Piqua, OH
