SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

“EE is one very clean, doable way to reduce carbon emissions NOW.”

Marty Josten,
New Ecology, Inc.,
Warwick, RI

Energy efficiency:
America's
Job-creation
powerhouse

Rhode Island's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

10,990 people work in Rhode Island's energy-efficiency sector.

Energy efficiency jobs are in every Rhode Island county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

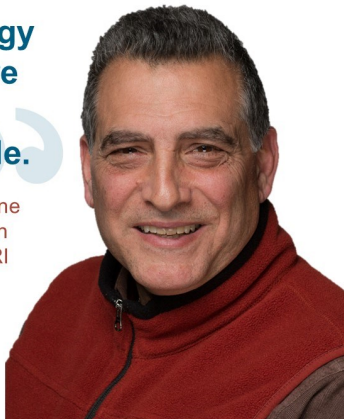

Support for energy efficiency will save Rhode Islanders money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Rhode Island's energy efficiency sector to create jobs and provide benefits for communities.

“[I am an] energy auditor. We are the first to educate people.”

Steven Calise, Blackstone Valley Community Action Program, Providence, RI
