Energy efficiency:  
America's  
Job-creation  
powerhouse

**South Carolina's** energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

29,133 people work in South Carolina's energy-efficiency sector.

**Energy efficiency jobs are in every South Carolina county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.**

**Support for energy efficiency will save South Carolinians money and boost local economies.**

**Energy efficiency is key to equitable growth.**

Please support policies and programs that will enable South Carolina's energy efficiency sector to create jobs and provide benefits for communities.

**“[I do] direct install, program management & consulting to EE programs.”**
