

SUPPORT YOUR LOCAL ENERGY EFFICIENCY INDUSTRY

South Dakota's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

7,448 people work in South Dakota's energy-efficiency sector.

Energy efficiency jobs are in every South Dakota county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

Support for energy efficiency will save South Dakotans money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable South Dakota's energy efficiency sector to create jobs and provide benefits for communities.

**Energy efficiency:
America's
Job-creation
powerhouse**

Faces of EE is an educational initiative led by E4TheFuture, a nonprofit organization dedicated to bringing clean energy home for all Americans.
