Energy efficiency: America's Job-creation powerhouse 

Wisconsin's energy efficiency industry creates good jobs, lowers bills, and strengthens the economy.

55,736 people work in Wisconsin's energy-efficiency sector.

Energy efficiency jobs are in every Wisconsin county. Woven through communities via manufacturing, construction, professional services, and more, EE jobs are the backbone of the energy sector.

I am the weatherization operations specialist.

Energy efficiency: America's Job-creation powerhouse 

Support for energy efficiency will save Wisconsinites money and boost local economies.

Energy efficiency is key to equitable growth.

Please support policies and programs that will enable Wisconsin's energy efficiency sector to create jobs and provide benefits for communities.
