

SENIOR ASSOCIATE - VALUATION

POSITION SUMMARY

The Senior Associate will work with the Director of Valuation on a range of projects that support state education on and evaluation of distributed energy resources (DER) investments using a range of resources, focusing on those developed by E4TheFuture's [National Energy Screening Project](#) (NESP™).

The NESP's mission is to improve cost-effectiveness screening practices for DERs by developing economically sound, policy-neutral resources to guide decision-making in DER investments. NESP joins organizations, agencies, and individuals with a common interest in improving cost-effectiveness assessment to inform NESP's work. E4TheFuture serves as coordinator of the NESP and manages its publications and products, including the [National Standard Practice Manual™ \(NSPM\)](#).

ESSENTIAL DUTIES AND RESPONSIBILITIES

The essential functions of this position include, but are not limited to the following:

- Support NESP's growing DER valuation training and certification program
- Assist with consulting services to states on DER valuation topics
- Conduct research and analysis to support project and organizational goals
- Produce and/or review case studies, reports and materials to support projects
- Engage with stakeholders in state regulatory DER proceedings/dockets
- Support NESP partnerships and advisory committee activities
- Prepare and present on projects at conferences and events
- Support NESP outreach and communications via blogs, newsletters, website and social media
- Use project management tools to support planning and implementation of project deliverables
- Performing other duties as assigned

MINIMUM QUALIFICATIONS (KNOWLEDGE, SKILLS, AND ABILITIES)

- Undergraduate or Graduate degree
- 2 or more years working in the energy industry
- Energy regulatory and/or economics work experience preferred
- Strong analytic and research skills
- Strong written and oral communication
- Experience with social media outreach and marketing
- Innovative and critical thinker who identifies opportunities to achieve goals
- Organized self-starter, with the ability to multi-task and can work independently
- A strong work ethic, commitment to excellence and attention to detail
- Proficient in Microsoft Office, specifically Excel, Word, and PowerPoint

This is a fully remote position with a generous benefits package.
